Asia Link Design

Since 2011, Asia Link Design, a Garments/Apparel Buying house produces, with passion and fervor, great men items of cloths, addressed to a more exigent public, who always seeks for excellent quality and accessible prices.

We feel proud when our customers love what they wear; therefore, we strive hard to take care of details with dedication and attention, always researching for new fabrics, washing effects and new styles.

Our key factor is the “garment dye”, which characterizes each collection we develop with unique shades and sensations, rendering each product a natural vintage look.

Following international tendencies, but always preserving classic and vintage features, we work to obtain a final product that is qualitative, innovative, and at the same time in perfect harmony with actual exigencies. To conclude, all our products never diverge form the concept of a well-made tailor’s garment: elegant, stylish, long lasting, and perfect!

Our Vision

To enrich our portfolio according to export at a large scale through our commitment to customers.

Our Mission

- To serve our customer with our honesty and integrity.
- To fulfill the customer demand with our extensive support.

Supplier Credibility: Asia Link Design's developing team take great care to ensure the quality, desired weight, construction and color, we evaluate the capacity and capability of every factory. Asia Link Design also check environmental control, safety laws, labor practices and adherence to labor laws. We make sure that our supplier can meet our requirements when it comes to reaching the average number of pieces produced as per buyer's requirement at a given period of time to meet schedule.

Sourcing: Asia Link Design maintains strong exclusive relationships with many of the yarn and fabric mills and the accessories suppliers. Upon placement of orders, we check right way and control the quality of all garment inputs such as yarn, fabric, accessories, labeling and coordinates timing of their procurement and its timely delivery. We let buyers choose and decide what kind of accessories and labels to use as far as style, color, design etc.

Sampling: We develop and provide samples as per buyers design, fabric quality, weight, shrinkage, color fastness, specifications etc. to obtain buyers approval before heading to production through our professional staff of Merchandisers and Quality Controllers who always keep a close check on sampling and production.

Quality Control / Assurance: Our Quality Controllers visit the factory regularly to make sure we meet our buyer's requirements. Our quality control personnel are stationed at all manufacturing sites to ensure that all production will meet according to buyer's requirement. We always want to deliver satisfaction to our customers; we monitor the order from sourcing of raw materials and accessories to production and up to the final shipment of goods. We also monitor and report the status of the order to the buyer with systematic follow up on each and every stage.

Shipment/Cargo Handling: All shipping documents are reviewed and verified as per buyer instruction. All cargo is handled by reputable forwarder to obtain correct information regarding ETD and ETA of vessels because time delivery is as important for us as it is to the buyer.

OUR PRODUCTION PROCESS

How It Is Made?

1. Fabric/Fabric Check: After getting order; when the fabric is received, it is laid down for 24h and checked conscientiously for any faulty.

2. Pattern: The pattern is created in the sampling phase to calculate the fabric consumption and costing sheet.

3. Cutting: The fabric is cut then bundled by style, size, and color.

4. Printing: We use cutting edge screen printing techniques with steadfast, reliable and consistent ink.

5. Embroidery: We control hand-made or machine-made embroideries on details or all-over.

4. Assembling: Processed semi-products are gathered back to the factory for assembling phase.

5. Finishing: The finished products are trimmed, checked, and packed for shipment.
